SOFTWARE END USER LICENSE AGREEMENT (EULA)

This legal document is a license agreement and not an agreement for sale. You, as the END USER, acknowledge that Henry Schein Practice Solutions (HSPS) is the exclusive owner of all right, title and interest in the Software and Documentation (each as hereinafter defined). You further acknowledge that HSPS is the owner and holder of all copyright, patent, trademark, trade secret and other proprietary rights therein (collectively, "Proprietary Rights"), and reserves all such Proprietary Rights to itself except as expressly licensed to you hereunder. BY OPENING ANY SEALED SOFTWARE PACKAGE OR USING ANY SOFTWARE FROM HSPS, YOU AGREE THAT YOU HAVE READ, UNDERSTAND AND ACCEPT THE PROVISIONS IN THIS SOFTWARE EULA AND THE TERMS AND CONDITIONS.

1) SCOPE OF USE

"Software" shall mean the machine readable software programs and associated files, whether in packaged form, or received electronically, and any modified version, upgrades and other copies of such programs and files owned by HSPS or its licensors and licensed to you. The term "Documentation" shall mean the user's manual(s) and other materials (whether in printed or electronic form) accompanying the Software, and any modified version thereof provided by HSPS to you. The term "Product" shall mean the Software, Documentation and HSPS hardware components. This license provides you with the right to install the Software on a single system at a single site or location. You may not use the Software on multiple systems unless you have paid the multi-user license fee. You may not use the Software at more than 1 site or location or with more than 1 installed instance of the practice management database unless you have paid for multiple site licenses. Please note that a multi-user license of DENTRIX or Easy Dental limits you to installing the Software on a total of 10 systems at the same site or location with 1 installed database instance, after which additional licensing fees apply. HSPS is not responsible for the licensing of any imaging software including DENTRIX Image, DENTRIX Clarity or Easy Image (which are, as of 1/3/2007, owned by Dexis®), nor the way in which those software packages interoperate with HSPS Software. YOU MAY NOT RENT, LOAN, LEASE, SUBLICENSE, DISASSEMBLE, DECOMPILER, EVESDROP OR OTHERWISE REVERSE ENGINEER OR ATTEMPT TO CIRCUMVENT, DECONSTRUCT OR DISCOVER ANY SOURCE CODE, SECURITY MEASURES, AUTHENTICATION, PASSWORDS OR UNDERLYING ARCHITECTURE, TRADE SECRETS OR ALGORITHMS OF THE SOFTWARE BY ANY MEANS WHATSOEVER. YOU MAY NOT USE, COPY, MODIFY, MERGE, OR TRANSFER COPIES OF THE SOFTWARE (INCLUDING PREVIOUS VERSIONS) EXCEPT AS PROVIDED FOR IN THIS SOFTWARE EULA. You may not distribute, disclose, or allow use of the Software or the Documentation, or any portion thereof, by any third party other than your own personnel in any format and through any timesharing service, service bureau, network or by any other means. Using unauthorized third party electronic claim software may violate federal regulations as outlined in the Health Insurance Portability and Accountability Act of 1996 Pub. Law 104-191, its implementing regulations, the Health Information Technology for Economic and Clinical Health Act and its implementing regulations as amended from time to time (collectively "HIPAA") and may seriously compromise security

within your HSPS Software system. HSPS shall not be held liable for any security breaches or fines that you may incur due to the use of unauthorized third party software.

2) ASSIGNMENT

You may transfer your Software product license(s) together with the original Product (which includes all versions and updates to that Software product) on a permanent basis only after the following conditions are met:

- a) You are selling your entire practice, including the practice management software (the practice management software cannot be sold or transferred alone).
- b) In order to transfer a site license for an entire site that is being sold, which is not accompanied by the main license under which the site license was purchased, HSPS will require that the site license be upgraded to a full license by you, including all corresponding fees and paperwork. Otherwise, the site license is ineligible for transfer.
- c) You have received written permission from HSPS to transfer the license(s) (you will be required to sign a License Transfer Agreement).
- d) The recipient has signed and submitted a new License Agreement.
- e) You destroy all copies of the Software that you do not transfer to the recipient including data and database related files which should be erased with a NIST approved wipe delete program per HIPAA standards unless the data transferred is assigned to the receiving party under a separate contract.
- f) You pay all license transfer fees.
- g) In the event that HSPS requires a Bill of Sale, it must include an itemized entry for the HSPS Software being transferred.

Except as provided above, you may not sublicense, assign or transfer the license(s) for the Product or previous versions of the Product. Any attempt to do so shall terminate the license. You are responsible for notifying HSPS in the event of a change of address, a change of ownership, or to request a license name change.

3) COPIES, MODIFICATIONS OR MERGER

You may make 1 copy of each Software media solely for backup or archival purposes in support of your use on a single computer. You may not make any other copies or modify all or any portion of the Software or Documentation or merge it into another program unless expressly authorized in writing by HSPS. You shall use your best efforts to prevent any unauthorized copying of the Software and Documentation.

IF YOU OR YOUR PERSONNEL COPY, MODIFY OR MERGE ANY PORTION OF THE SOFTWARE OR DOCUMENTATION OTHER THAN WITH HSPS'S PRIOR WRITTEN AUTHORIZATION OR IF YOU OR YOUR PERSONNEL TRANSFER POSSESSION OF ANY COPY, MODIFICATION OR MERGED PORTION OF THE SOFTWARE OR DOCUMENTATION TO ANOTHER PARTY WITHOUT OBTAINING THE TRANSFEREE'S AGREEMENT REQUIRED UNDER SECTION 2 ABOVE, YOUR LICENSE WILL AUTOMATICALLY TERMINATE.

4) DUAL MEDIA SOFTWARE

If this or subsequent packages contain CDs or other types of media, you may use only the CDs or media appropriate for a single designated computer. You may not use the other CDs or media on another computer, or loan, sublicense, rent, lease, or transfer them except as part of the permanent transfer of the Software as expressly permitted by this Software EULA.

5) TERM/TERMINATION

The license hereunder is effective until terminated. HSPS may terminate this Software EULA at any time if you are in breach of any of its terms and conditions. Upon termination, you shall:

- a) Return the media containing the Software together with all Documentation to HSPS;
- b) Destroy any and all copies of the Software or any portions of it which have not been returned to HSPS, including copies resident in computer memory; and
- c) Certify to HSPS in writing that you have retained no copies of the Software and Documentation or any portion thereof.

Upon any termination of this Software EULA, HSPS shall invoice you for all accrued fees and all reimbursable expenses and you agree to pay the invoiced amount immediately upon receipt of such invoice.

In the event that you obtained the software illegally or by download from any party other than HSPS you have no right to the software and data and receive no protections or permission for use and you are required to immediately delete the software and any associated data using a NIST approved wipe delete method.

6) CURRENT DENTAL TERMINOLOGY TERMS AND CONDITIONS

- a) End User License Grant. End User is hereby granted a non-exclusive, non-transferable right to use the publication developed by the American Dental Association (“ADA”) titled Current Dental Terminology (“CDT”) at End User Sites solely as part of the Software and solely for End User’s internal business purposes. The foregoing license grants End User the right:
 - i) To install and use the CDT on a computer system located at the End User Site
 - ii) To retrieve CDT codes, descriptors, and nomenclature via commands contained in the Software for the exclusive use of the End User
 - iii) To reproduce and distribute partial listings of the CDT codes, nomenclature, and descriptors, in various printed and electronic documents for the purposes of claims processing, billing and patient treatment, via commands contained in the Software
 - iv) To print limited portions of the CDT solely for the exclusive use of End User, and
 - v) To print a complete listing of the CDT codes, nomenclature, and descriptors solely for the exclusive use of End User.

“End User” shall mean Licensee and Licensee’s employees. “End User Site” means each separate geographic location where End User maintains a dental office.

- b) End User License Restrictions. Except as expressly permitted in the “License Grant,” End User may not and may not permit anyone else to
 - i) Copy the CDT
 - ii) Alter, amend, change or modify the CDT, including the CDT codes, nomenclature and descriptors or other content of the CDT
 - iii) Remove any copyright or other proprietary notices, labels or marks from the CDT or from any electronic printed copy of the CDT or portions thereof created by using the Software (“Output”)
 - iv) Distribute, sell, assign, lease or otherwise transfer the CDT, including the Code on Dental Procedures and Nomenclature or any portion thereof, in any printed, machine-readable or other form to any other person, firm or entity, including but not limited to, as Output
 - v) Use the CDT, whether on a timesharing, remote job entry or other multiple user arrangement.

End User shall take reasonable measures to maintain the security of the CDT. The restriction set forth in section 6(b)(ii) shall not limit End User’s right to add additional content to the Software (“End User Content”), provided: End User does not alter, amend, change or modify existing CDT codes, nomenclature and descriptors or other CDT content, and End User’s Output does not claim or otherwise imply that such End User Content is owned, created, approved or endorsed by ADA. IN NO EVENT SHALL END USER USE THE SOFTWARE FOR OR ON BEHALF OF ANY THIRD PARTY, INCLUDING BUT NOT LIMITED TO USE OF THE SOFTWARE TO PROVIDE CONSULTING, TIME-SHARING OR OUTSOURCING SERVICES OR TO ACT AS A SERVICE BUREAU OPERATION. END USER IS EXPRESSLY PROHIBITED FROM DISTRIBUTING OUTPUT, INCLUDING THE CODE OR PORTIONS THEREOF, TO ANY PERSON, FIRM OR ENTITY.

End User acknowledges and agrees that ADA owns all right, title and interest (including all copyrights and other intellectual property rights) in the CDT (in all print and machine readable forms), all other rights of commercialization, rental or sale of the CDT or any part thereof, the right to make derivatives of the CDT and the right to distribute the CDT and copies thereof. End User acquires no proprietary interest in the CDT, or any portion thereof. Except for the limited rights expressly granted to End User in this Agreement, all other rights in the CDT are owned and retained by ADA.
- d) Warranty. EXCEPT AS EXPRESSLY STATED HEREIN, THE CDT IS PROVIDED “AS IS” WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF PERFORMANCE OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INCIDENTAL, SPECIAL, CONSEQUENTIAL OR ANY OTHER TYPE OF DAMAGES, ARISING OUT OF THIS AGREEMENT OR THE USE OF OR INABILITY TO USE THE CDT OR DOCUMENTATION, EVEN IF ADA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY SHALL APPLY TO ANY CLAIM OR CAUSE WHATSOEVER WHETHER SUCH CLAIM OR CAUSE IS IN CONTRACT, TORT OR OTHERWISE.

- f) Indemnification. End User agrees to indemnify ADA (including reasonable attorneys' fees and costs of litigation) against and hold ADA harmless from any and all claims, liability, losses, damages and expenses resulting from End User's use of the CDT, in breach of any of the terms of this Agreement, or End User's use of any data or documentation received from ADA, regardless of the form of action.
- g) Third Party Beneficiary. ADA is a direct and intended third party beneficiary of this Agreement: provided, however, ADA's rights as a third party beneficiary are limited solely to the End User's use of the CDT outside the scope of this Agreement.

7) ELECTRONIC SERVICES PROVIDED BY HSPS

To the extent you will utilize Dentrax eServices, you acknowledge and agree that you will adhere to the Dentrax eServices Registration Form and all applicable terms and conditions for the services to which you subscribe.

8) CLIENT/SERVER SECURITY

- a) You acknowledge and agree that you are solely responsible for maintaining the security, firewall, and remote access protections of your own network environment (e.g. Local Area Network, Wi-Fi Network, Wide Area Network, computer hardware, and operating systems) ("Your Network") and taking steps to prevent any malware, virus, spyware, Trojans, or similar items from compromising Your Network. You are solely responsible for maintaining any and all hardware and software that serves to create Your Network defense. You hold HSPS, its affiliate companies, Henry Schein, Inc., and its stockholders harmless in the case of any claims, damages, or loss, including loss of reputation arising from Your Network and its environment or lack thereof.
- b) You acknowledge and agree that (i) you are solely responsible for maintaining the strict confidentiality of your serial number and/or license keys, IDs and patient information and you are solely responsible for any disclosure thereof or access thereto and for ensuring that only authorized persons or entities (including your authorized sub-contractors, as applicable) use appropriate keys and IDs and you acknowledge and agree that any claims, damages, or losses that may be incurred or suffered as a result of your failure to do so are your sole responsibility. You will hold harmless HSPS, its affiliate companies, Henry Schein, Inc., and its stockholders for any claims, damages, or losses related to the use or misuse of your IDs or any of your patient information. You are solely responsible for any disclosure of your IDs or any patient information, or your or any patient's authorization to

allow another person or entity to access and use the Practice Management System (e.g. Dentrax, Easy Dental, etc.) using your IDs or any patient's information. Any sub-contractors with access to the serial number and/or license keys, user IDs, passwords and patient information, and the Practice Management System (via installation media, backup or cloning software, or virtual machines, remote access, or otherwise) are also bound by this agreement and you are responsible for ensuring appropriate use by such persons.

9) LIMITED SOFTWARE WARRANTY

YOU ASSUME FULL RESPONSIBILITY FOR THE SELECTION OF THE PRODUCT TO ACHIEVE YOUR INTENDED PURPOSES, FOR THE PROPER INSTALLATION AND USE OF THE PRODUCT AND FOR VERIFYING THE RESULTS OBTAINED FROM ITS USE. HSPS DOES NOT WARRANT, GUARANTEE OR MAKE ANY REPRESENTATION REGARDING THE USE, OR THE RESULTS OF THE USE OF THE PRODUCT, OR REGARDING THE FUNCTIONALITY, RELIABILITY, MERCHANTABILITY OR PERFORMANCE OF THE PRODUCT, OR THAT THE OPERATION OF THE PRODUCT WILL BE WITHOUT INTERRUPTION OR ERROR-FREE.

HSPS warrants the Software to operate as described in the Documentation for 90 days after delivery. If you discover a defect in the Software, you should return the defective Software to HSPS within such warranty period together with a copy of the invoice or purchase agreement showing the price and date of purchase of the license. HSPS will, upon verification of the defect or error and if during the warranty period, at HSPS's option, either repair or replace the defective Software or refund the amount you paid for the license ("License Fee"). Upon verification of the defect, HSPS will, at HSPS's option and as HSPS's sole obligation, and your sole remedy hereunder for breach of warranty, either repair or replace the non-conforming Software or refund the License Fee to you. If HSPS elects to provide a refund, upon the date you receive notice of such election the license shall terminate and you must comply with the provisions of Section 5 (Term/Termination) above.

ALL WARRANTIES SHALL TERMINATE 90 DAYS FROM DATE OF DELIVERY OF THE SOFTWARE TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS, WHICH VARY FROM STATE TO STATE.

10) LIMITATION OF LIABILITIES

IN NO EVENT WILL HSPS BE LIABLE TO YOU OR ANY THIRD PARTY UNDER ANY CIRCUMSTANCES FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES ARISING OUT OF OR IN CONNECTION WITH YOUR USE OR INABILITY TO USE THE PRODUCT, THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, OR OTHERWISE IN CONNECTION WITH THE PRODUCT, ITS SOFTWARE, THE DOCUMENTATION AND/OR THE LICENSE, EVEN IF HSPS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL HSPS'S TOTAL LIABILITY FOR ANY DAMAGES, ARISING IN CONNECTION WITH THE PRODUCT, ITS SOFTWARE, THE DOCUMENTATION AND/OR THIS LICENSE EXCEED THE LICENSE FEES PAID FOR YOUR RIGHT TO USE THIS PRODUCT WHETHER SUCH LIABILITY ARISES FROM ANY CLAIM BASED UPON CONTRACT,

Henry Schein Practice Solutions

BREACH OF WARRANTY, TORT OR OTHERWISE. YOU ACKNOWLEDGE THAT THE LICENSE FEE REFLECTS THIS ALLOCATION OF RISK. IN NO EVENT SHALL HSPS BE HELD LIABLE TO YOU WHENEVER REGISTRY FILES ARE EXAMINED AND/OR EDITED. BECAUSE SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

11) CONFIDENTIAL INFORMATION

The parties agree that the Product, Software, Documentation, license, any functional limitations of, or errors in the Software and other materials provided by HSPS to you are the Confidential Information of HSPS subject to Section 18 (Confidential Information) of the General Terms and Conditions.

12) UPGRADES

After upgrading any HSPS Software, whether in the same product family (e.g., Easy Dental 2007 to Easy Dental 2008) or across product families (e.g., Easy Dental 2007 to DENTRIX G4), you may no longer use the previous Product that formed the basis for the upgrade eligibility. The previous Product retains no license and therefore cannot be transferred, sold, or utilized on any other hardware or in any other form. Any use of the previous Product is a violation of this Software EULA and could be subject to prosecution.

13) FORCE MAJEURE

In addition to the Force Majeure provision set forth in Section 14 (Force Majeure) of the General Terms and Conditions, HSPS shall have no liability for unauthorized use of the Product or Internet inaccessibility or failure.

14) GENERAL

You agree that the Agreement constitutes the entire agreement between you and HSPS and supersedes any prior agreement or any other communications relating to the use of the Product. It shall not be modified except in writing signed by an authorized representative from the HSPS corporate headquarters. Amendments will also be included in subsequent Software releases for review upon installation. New Products and upgrades are released at the discretion of HSPS. Your continued use of the Software thereafter will indicate your agreement

to the amendments. Amendments will apply to your existing account as well as to future transactions. In addition to Section 19(i) of the General Terms and Conditions, notice shall be deemed given by sending to address on user's receipt of Product upgrades.

15) U.S. GOVERNMENT RESTRICTED RIGHTS

This Section applies to all acquisitions of the Product by or for the Government. This Product is provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013, subparagraph (c)(1) and (2) of the Commercial Computer Software - Restricted Rights clause at 48 FAR 52.227-19 as applicable.

16) EXPORT RESTRICTIONS

You acknowledge that the Product, or any portion thereof, may be subject to U.S. export restrictions. You agree to comply with all applicable international and national laws that apply to the Product, or any portion thereof, including the U.S. Export Administration Regulations, as well as destination and all other restrictions issued by U.S. and other governments.

17) PRIVACY

The software from Trackerbird collects and processes certain data including but not limited to information about you: (i) operating system, (ii) version of Windows, (iii) amount of RAM, (iv) use of certain functionalities within the Software, and (v) compliance with your license requirements, and will also allow HSPS to send you push notifications regarding vulnerabilities and available upgrades as well as customer surveys. The Trackerbird software transmits this data to a cloud server for storage and further processing by HSPS and Trackerbird and/or Trackerbird's partners, subsidiaries or affiliates. HSPS and Trackerbird retain the right to utilize servers located outside of the United States and both within and outside the European Union and the European Economic Area for such storage and processing. You hereby acknowledge and consent to such transfer of data.
